This elegant west-facing apartment, located in a central area of San Pedro, combines contemporary design, spaciousness, and energy efficiency, creating a residential environment designed to enjoy comfort without compromising on style

The property offers three bedrooms, including a 22 m² master bedroom with an en-suite bathroom, conceived as a private and relaxing retreat. The secondary bedrooms, measuring 12 m² and 12 m² respectively, provide a balanced and versatile layout that adapts to different lifestyles.

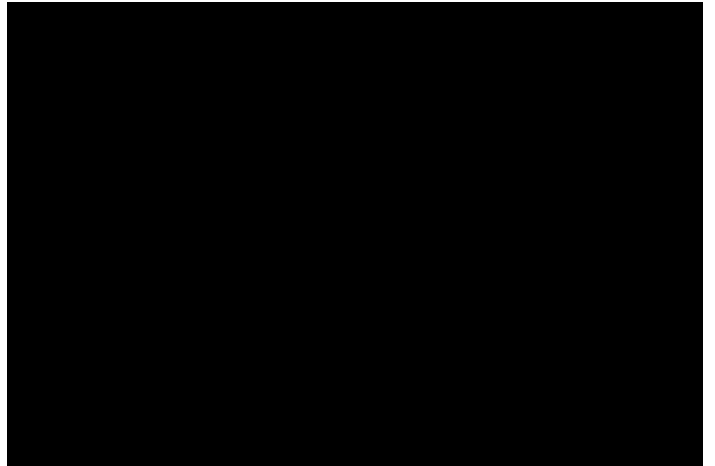

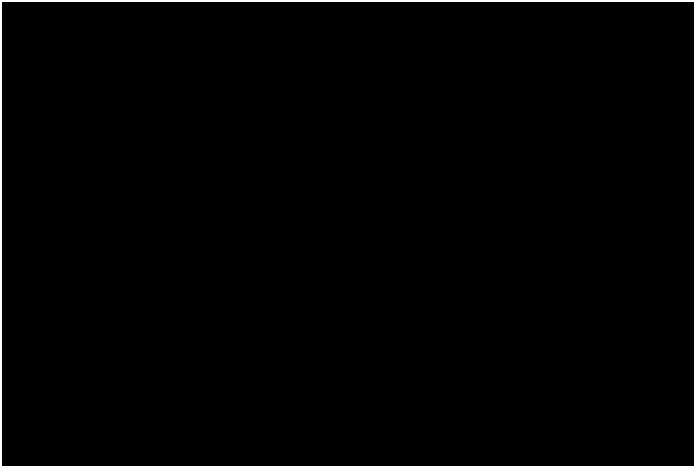

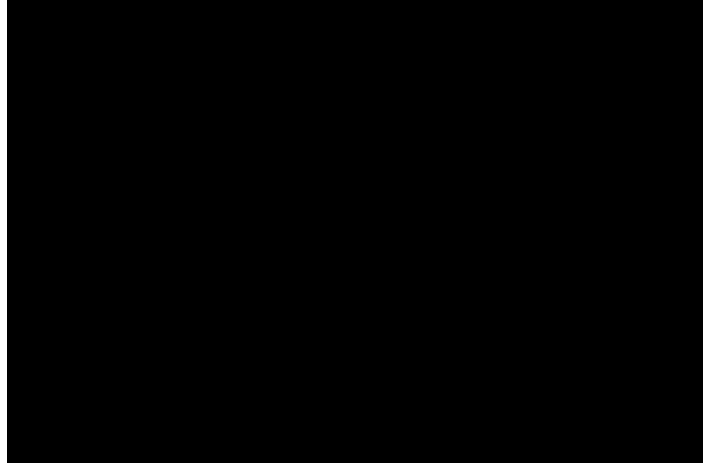

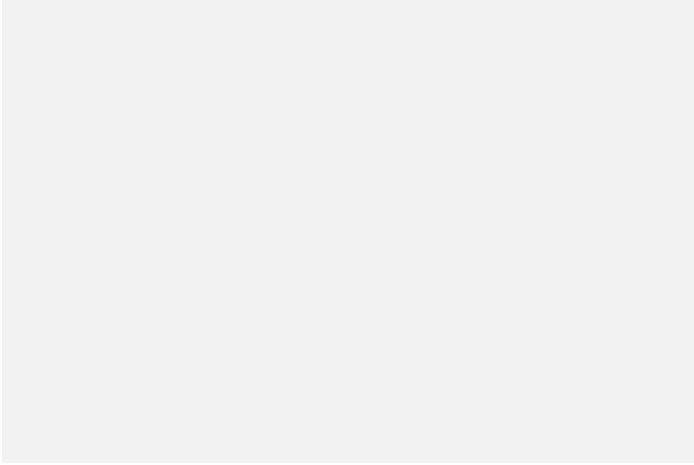

The living area is centred around a spacious 44 m² open-plan living room, dining area, and kitchen, where natural light flows freely and enhances the feeling of openness. An ideal setting for sharing, entertaining, and enjoying the home in complete comfort.

Features include built-in wardrobes, Climalit exterior windows and doors, and a high-quality German-designed kitchen fully equipped with Siemens appliances. The property is further enhanced by an aerothermal system and water-based underfloor heating, included in the price, providing efficient, quiet, and sustainable climate control that elevates comfort to another level....
