Discover a modern residential complex set on an elevated 3,529 m² urban plot overlooking Fuengirola's coastline and mountains. Its privileged position offers exceptional natural light, sweeping Mediterranean views, and a sense of privacy rarely found so close to the city and the beach.

The architecture blends soft, curved lines with warm natural tones, seamlessly integrating terraces, solariums, landscaped areas, and contemporary interiors. Every home is designed to maximise comfort, outdoor living and year-round enjoyment.

Outstanding Outdoor Spaces

Large south-facing terraces extend the living areas and capture magnificent open views of the sea and the surrounding landscape. Selected upper-floor residences feature private solariums with relaxation zones and plunge pools, creating a true sanctuary in the sky. The communal outdoor areas are filled with Mediterranean vegetation, stone accents, and sophisticated lighting that enhances the atmosphere both day and night.
