## House 6 Bedrooms 5 Bathrooms in Cabopino

This is a super modern, luxury beachside villa for sale in Cabopino Marbella. This much larger than average villa enjoys five oversized bedrooms and no less than two very large living areas both with modern open plan kitchens. The property has very high quality fittings throughout with floor to ceiling windows an internal lift taking stopping at each floor including the solarium. A glass bottom rooftop pool and the glass staircase rising through the centre of the villa adds lots of style to this very attractive property.
