This stunning three-storey detached house located just 15 minutes from the center of Fuengirola offers the perfect combination of tranquility and comfort. With four bedrooms and three bathrooms, one of which has an en-suite bathroom, this spacious property is ideal for large families or those looking to enjoy luxury and privacy. In addition, it features a large garage with space for four cars, ensuring both convenience and security and a huge basement ready to become your personal retreat. With the beach within walking distance and away from the hustle and bustle of the city, this residence is the perfect escape for those looking for a spacious and well-located home. Three floors that offers the best of both worlds: the tranquility of your own residence with the proximity to all the services you need. With a spacious living room with fireplace and the flexibility to integrate it with a dreamy open kitchen, this property offers endless possibilities. Additionally, all rooms are equipped with built-in closets, offering ample storage space for your belongings. Imagine enjoying the sea breeze in your private garden, relaxing on the porch or sunbathing on the terrace with panoramic views. This is your opportunity to acquire a unique home that combines luxury, comfort and privileged location!
