Located in the prestigious area of Torrequebrada, Benalmádena, this exclusive villa offers a unique lifestyle with exceptional features. With imposing architecture, the property is distinguished by its elegant and traditional design. The villa stands majestically, giving its residents a sense of luxury and privacy. From your entrance, you can see the attention to detail in every corner. The interiors are meticulously designed, with top quality materials that create a sophisticated and welcoming atmosphere. The layout of the villa adapts perfectly to modern needs, with two floors offering a well-organized and functional space. Each level has a panoramic view of the sea, allowing the beauty of the Mediterranean environment to be an integral part of the daily experience. The jewel of the property is its private pool, an oasis of relaxation with sun practically all day, the height of the house guarantees maximum privacy. The outdoor areas are designed for entertaining, with large terraces that invite you to enjoy alfresco dining while watching the spectacular sunset over the mountain. The magnificent qualities of this villa are reflected in every aspect of its construction, from the laminate floors, to the designer accessories in the bathrooms. The gourmet kitchen is equipped with the best appliances, creating a space where functionality meets elegance. The additional bedrooms are spacious and bright, providing comfort and privacy to each family member or guest. In short, this exclusive villa in Torrequebrada, Benalmádena, represents the ultimate expression of luxury living on

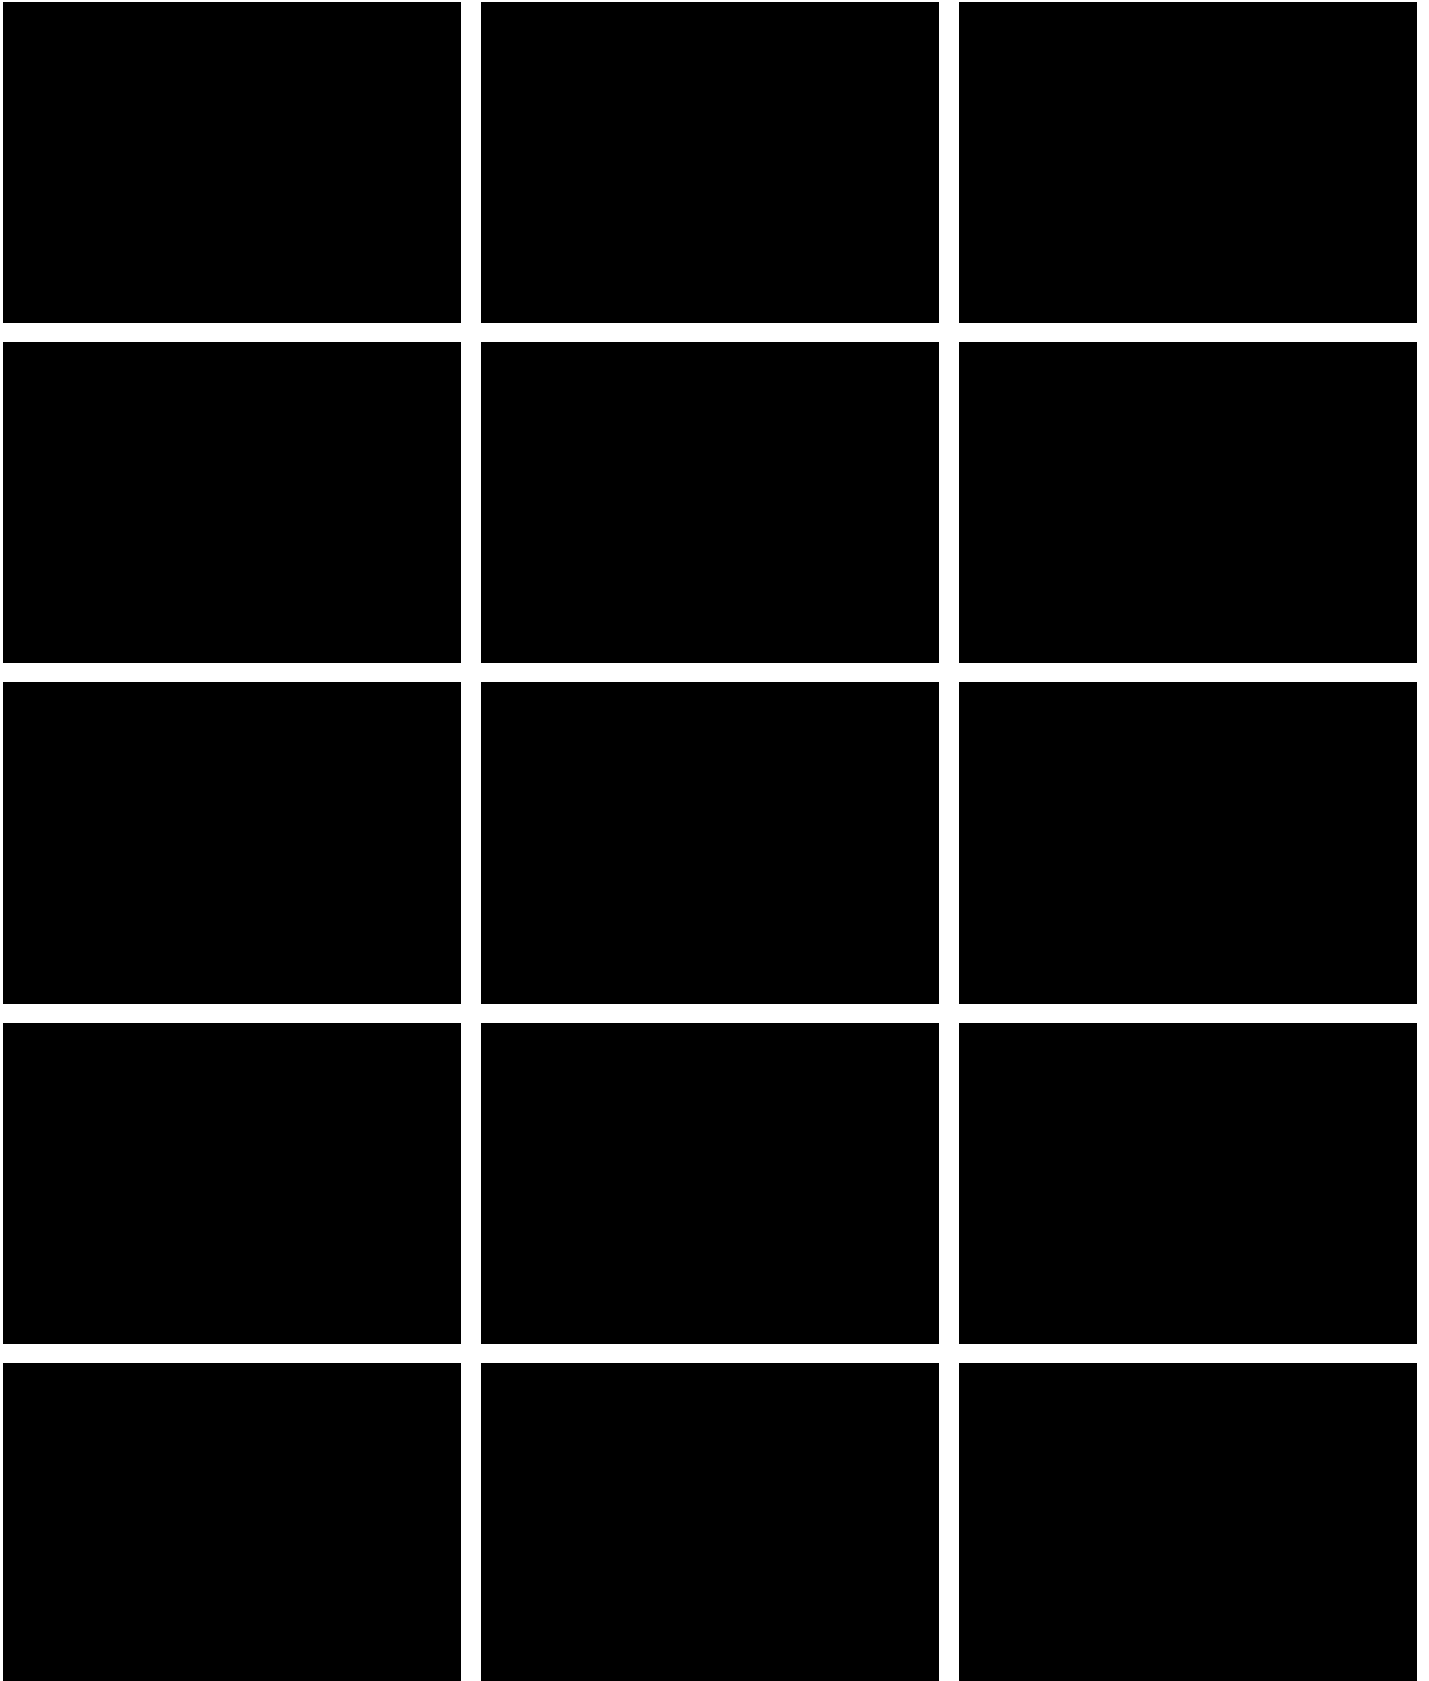

the Costa del Sol. With its impeccable design, stunning views, and a private pool that offers a haven of tranquility, this property redefines the concept exclusive and traditional home.
