This superbly presented large 3 bedroom apartment is situated in the highest quality apartment community in Mijas Golf. The gated community boasts 3 large communal pools and tropical gardens, with access via the garage and store room area via elevator. This particular property boasts a very large, fenced, private garden with facing south and with views across the pool to the sea. The interior of the apartment is in 'as new' condition, with a super kitchen with Siemens appliances and separate utility, a large living dining room, 3 double bedrooms and 2 bathrooms. To top it off, the high standard furniture is included in the sale. A really exceptional property, with unbeatable outside space. Viewings are highly recommended!
