Two houses with land for sale in a beautiful setting, very close to the village of El Chorro, about 2 km away and a 6-minute drive.

Its proximity to the Caminito del Rey makes it a great opportunity for rural tourism.

The two houses have separate entrances. One is a single-story home with a large front porch, two bedrooms, a bathroom, and a kitchen. The other is distributed over two floors and a rooftop terrace with beautiful mountain views.

The ground floor of the second house features a porch, a living-dining room with a fireplace, and a kitchen with a breakfast bar. The first floor has two bedrooms, a bathroom, and a terrace with unobstructed and relaxing mountain views—a setting that invites rest and relaxation!

There is also a large area currently used as a storage room and garage.

The property includes a small swimming pool and nearly 6,000 square meters of land with almond, olive,
