In the very heart of Málaga, just steps from the emblematic Plaza de la Merced, this exceptional four-storey townhouse with solarium offers 330 m2 of built space and an extraordinary level of versatility in one of the city's most sought-after locations. The ground floor is currently arranged as an office-style space, but its true value lies in its flexibility. It can easily be transformed into a generous living area, a private office, a gym, a garage, or a combination of uses, adapting perfectly to both residential and mixed lifestyle needs. The second floor forms the social heart of the home, featuring an industrial-style kitchen that flows seamlessly into the living and dining areas.
