Exclusive Ground Floor Residence with Sea Views in Los Monteros, Marbella

Situated in one of Marbella's most sought-after areas, this stunning ground floor property spans a generous 260 m², thoughtfully distributed between 183 m² of refined interior space and 74 m² of beautifully appointed terraces. A true architectural gem where elegance and comfort merge seamlessly.

The residence features four spacious bedrooms, three full bathrooms, and a guest toilet, all finished to the highest standards. The open-plan white kitchen, flowing into the bright living and dining area, creates a warm and inviting atmosphere, ideal for both everyday living and entertaining.

A highlight of the home is the covered terrace with glass enclosure, offering a tranquil space to enjoy breathtaking sea views all year round.

The exclusive community boasts first-class amenities including an outdoor swimming pool, heated indoor pool, fully equipped gym, sauna, and direct access to the beach.

More than just a home, this is a lifestyle—where luxury meets serenity by the sea.
