This private holiday villa has four bedrooms and provides comfortable accommodation for eight guests. The house has independant air conditioning in each bedroom, as well as the lounge area. The outdoor area has a recently-built small swimming pool (around 2x5m in area) and it is mainly laid to lawns, which surrounds the house with several fruit trees. Via the large sliding gate, you will find parking for up to two cars. To get to the level of the house there is a flight of about 15 stairs. Once inside the villa, you'll notice that the property is split over two levels. On the ground floor, there is a fully fitted kitchen with a back door to the gardens, a lounge with a flat screen TV with multiple several languages including Sky and a dining area. A high speed fiber optic internet connection is also available throughout the house. The living room leads out onto a large balcony with seating for up to eight guests and a charcoal barbeque area to the side. There are great views over the Mediterranean Sea and Gibraltar from this area. On this same level, there is a double bed (140x190cm) with an en-suite bathroom and a separate cloak room between the bedroom and kitchen. Going upstairs you will find a twin bedroom with an en-suite bathroom, a master bedroom with a king size bed (160x200cm) plus a large terrace with fantastic views. There is also a fourth smaller bedroom with a sofa bed which can be converted into a very comfortable double bed. This room also leads out onto the...
