Located in the prestigious residential area of Hacienda Las Chapas, this exceptional six-bedroom villa occupies a peaceful cul-de-sac position and has been completely renovated to an outstanding standard. Set behind electric gates, the property is approached via a sweeping driveway leading to a double garage, with additional parking for up to three further vehicles. Built in 2019 and occupying a substantial private plot of 2,460 m², the villa offers an impressive built size of 537 m² together with beautifully landscaped tropical gardens and extensive terraces designed for luxurious Mediterranean living.

The property has recently undergone a comprehensive renovation programme including brand new bathrooms, retiled flooring throughout, new windows and doors, new air conditioning throughout the villa, and the installation of solar panels. Upon entering, a spacious and elegant entrance hallway sets the tone for the quality found throughout the home. The fully fitted modern kitchen is both stylish and practical, while a guest cloakroom is conveniently located nearby. The bright and spacious lounge and dining area features a striking fireplace and large patio doors opening directly onto the terraces, heated swimming pool, and mature gardens, creating seamless indoor-outdoor living....
