Where architecture, light, and landscape become home.

An exclusive new residential development located in the prestigious Cerrado del Águila area of Mijas Costa. A strategic enclave where the tranquility of nature, proximity to golf courses, and immediate access to the Costa del Sol coexist in perfect harmony.

The project comprises 63 semi-detached and terraced houses with 2 and 3 bedrooms, all designed on a single level to offer a more comfortable, functional, and connected living experience.

Each home has been designed with contemporary architecture that prioritizes spaciousness, light, and the seamless integration of indoor and outdoor spaces. Large private gardens, spectacular solariums, private pools, and expansive terraces transform each home into a true Mediterranean retreat.

This project represents a new way of living: more space, more privacy, and a higher quality of life in a well-established residential setting surrounded by nature and green spaces. Its prime location allows you to enjoy:

- A golf course adjacent to the development....
