25 m²
Terrace

A meticulously designed residence where architecture, craftsmanship and timeless luxury come together.

Perched in the exclusive hills of La Quinta, this exceptional three-bedroom, three-bathroom apartment has been completely transformed into a refined turnkey home with panoramic views of the Mediterranean Sea. Designed under architecture and executed without compromise, every element has been carefully considered to create a residence of rare quality and character.

From the moment you enter, the attention to detail is evident. Custom steel doors, bronze-tinted glass, carefully selected natural materials and a sophisticated lighting plan featuring A-quality designer fixtures create an atmosphere that is both warm and luxurious.

At the heart of the home lies a bespoke open-plan kitchen, finished with striking Patagonia stone surfaces that continue throughout the bathrooms, creating a seamless and highly distinctive design language. The spacious living area flows effortlessly onto the terrace, where sea views become part of everyday life....
