This is true frontline beach living in Garden Beach, Estepona — a first-line sea complex where the Mediterranean becomes part of your everyday life. Positioned directly on the coast, the property enjoys open sea views, protected coastal frontage, and the kind of setting that simply cannot be replicated. There are no roads in front, no future construction to interrupt the horizon — just the sound of the waves and uninterrupted blue stretching out before you.

The townhouse itself offers a rare combination of space, privacy, and structure within an established beachfront
