Discover this elegant, fully renovated apartment, ideally located on the beachfront with the marina right at your doorstep. A property that perfectly combines location, comfort, and Mediterranean lifestyle.

The apartment features 2 bedrooms, 1 full bathroom, and a functional kitchen, all ready to move into. Its spacious terrace is the perfect place to relax and enjoy the climate, along with pleasant partial sea views.

Designed for maximum comfort, the property includes individual air conditioning and high-quality carpentry. A standout feature is the terrace access system with parallel tilt-and-slide double doors, an advanced solution offering enhanced insulation, security, and smooth operation. It also includes electric shutters and a tilt-and-turn door in the bedroom.

The property comes with a private parking space located directly beneath the building, as well as additional outdoor parking and a children's playground on the same street.
