Baths

414 m²
Built

When we say this is a truly unusual apartment, we genuinely mean it.

Located in the highly sought-after area of ****La Carihuela, Torremolinos****, this exceptionally spacious four-bedroom duplex penthouse apartment was originally designed as a five-bedroom home. The current owners chose to sacrifice the fifth bedroom in favour of creating even more generous living space, resulting in a home that is both impressive and incredibly versatile, but it could be reinstated quite easily.

Arranged over two floors, the apartment features a fully fitted kitchen with a separate utility room and an expansive marble-floored lounge. Large enough to accommodate a full-size pool table while still providing ample space for relaxing and entertaining, this impressive living area also opens onto one of two private terraces overlooking the beautifully maintained communal gardens.

The main floor offers three spacious double bedrooms. One benefits from a walk-in wardrobe and a luxurious en-suite bathroom complete with a Jacuzzi bath, separate walk-in shower, and twin wash basins. A separate guest bathroom completes this level....
