PRIVACY, SPACE AND QUALITY OF LIFE IN PUERTO DE LA TORRE

This spectacular detached villa is located in one of Málaga's fastest-growing residential areas, offering privacy, generous living spaces and an excellent location.

Built on an approximately 1,100 m² plot with around 320 m² of built area, the property is distributed over several levels, perfectly separating the living, sleeping and leisure areas.

The main floor features a spacious living-dining room with a fireplace and a recently renovated open-plan kitchen, creating a bright, modern and welcoming space. There is also a full bathroom on this level.

The upper floor offers four spacious bedrooms, two full bathrooms and one guest toilet, all benefiting from excellent natural light thanks to the southeast orientation.

The top floor boasts an impressive 80 m² rooftop terrace with open views over Puerto de la Torre, ideal as a solarium or chill-out area.

The semi-basement offers endless possibilities, including a guest apartment, office, gym or games...
