Ready to move into. Fully furnished and exquisitely presented, exactly as shown in the photographs.

Some homes impress at first sight.

Others quietly become the place you never want to leave.

Set within the exclusive Aqualina Residences in the prestigious enclave of La Quinta, Benahavís, this exceptional apartment is far more than a beautifully designed property—it is an invitation to embrace a slower, more refined Mediterranean lifestyle.

Here, luxury is not defined by excess, but by the effortless comfort of everyday living.

From the moment you step inside, natural light flows through generous open spaces, while floor-to-ceiling glass doors blur the line between indoors and outdoors. Every room has been designed to maximise light, privacy and the seamless connection with the expansive terraces that surround the home.

Whether enjoying breakfast in the morning sun, entertaining friends over dinner or simply unwinding with a glass of wine as the day comes to an end, the outdoor living spaces become a natural extension of the apartment itself...
