Set within the prestigious gated community of Los Arqueros, this exceptional contemporary villa combines striking architecture, luxurious interiors and breathtaking panoramic views. Designed over five spacious levels, connected by both a stunning glass staircase and lift.

The entrance level gives access to the split-level master suite, a private retreat complete with its own lounge area, walk-in wardrobe, en-suite bathroom and a large terrace to enjoy those spectacular views.

The heart of the home is the main living level, where an impressive open-plan designer kitchen, dining area and lounge create the perfect space for both everyday living and entertaining. A feature fireplace provides warmth and character, while floor-to-ceiling windows flood the space with natural light and open onto three expansive terraces with breathtaking panoramic views of the golf, mountains and sea. This floor also includes the second ensuite guest bedroom, currently used as a home office.

The next level down has been designed with relaxation in mind. Here you'll find a spacious second living room, games area with a fully equipped bar, cinema room, laundry room and two further en-suite guest bedrooms with access to the beautiful fully equipped pool and terrace, complete with a lounge area.

The final level continues to impress, whilst offering additional flexibility as a self-contained apartment if needed. Here you will find the fifth guest bedroom with en-suite bathroom, fitted kitchen, Trackman golf simulator, gym with Nordic Trak equipment and access to a spacious deck, with lounge, dining and sun worshipping space.

Finished to an exceptional standard throughout, the villa is presented in immaculate, move-in-ready condition.
