Discover refined living in this stunning two-bedroom residence in Quercus, Real de la Quinta, an exclusive south/southwest-facing enclave within the award-winning Real de la Quinta Residential Country Club Resort, Benahavís, Marbella.

Designed to maximise light, space, and sustainability, this contemporary luxury apartment in Marbella blends elegant design with its breathtaking natural surroundings.

A spacious, well-balanced layout unfolds into an elegant living area with a seamless open-plan kitchen, where floor-to-ceiling glass walls frame panoramic sea views, coastline views, and mountain views, creating an immediate and unforgettable first impression.

The terrace becomes the true heart of the home, providing an expansive setting for relaxation and entertaining.

An independent utility and laundry room benefiting from natural light and ventilation.

Thanks to its ideal south to southwest orientation, the residence is bathed in Mediterranean sunlight throughout the day, culminating in spectacular sunsets...
