Fabulous top-floor apartment with unobstructed, panoramic views of Estepona and the sea. The apartment features 3 spacious and very bright bedrooms, a fully renovated bathroom with a shower, a separate kitchen, a living-dining room, and a large window that floods the apartment with light and offers beautiful, unobstructed views from the sofa both day and night.

The apartment includes a storage unit, located in the same building, which is included in the price.

There is plenty of parking right outside the building and in the surrounding area; La Lobilla is a neighborhood with an abundance of on-street parking, so finding a spot will not be a problem.

The building features a modern elevator, wheelchair access, and recent renovations to the entranceway, light switches, paint, etc. — Community fees are up to date.

Community fee: 40€/month.

The La Lobilla neighborhood is primarily residential, with all kinds of services and shops nearby (e.g., health clinic, pharmacy, supermarkets, playgrounds, schools, cafes, restaurants, gym, swimming pool, etc.), less than a 5-minute walk from the beach and downtown Estepona....
