A fantastic opportunity in one of Estepona's most attractive seaside locations, approximately 80 metres from the beach and within walking distance of Estepona Marina and the town centre.

This 91 m² apartment offers excellent potential to reconfigure and optimise the existing layout, allowing the new owner to create a modern and personalised home that takes full advantage of the space, natural light and location.

The property currently features three bedrooms, one bathroom, a bright living area and a private terrace with beautiful sea views. Its south-facing orientation provides excellent natural light throughout the day.

Residents also benefit from a private communal garden directly in front of the building, overlooking the Mediterranean, a peaceful outdoor space that further enhances the coastal setting.

What makes this property particularly attractive is the combination of sea views, location and potential. With the beach just 80 metres away and restaurants, shops, the marina and Estepona town centre all within walking distance, properties with this combination are increasingly difficult to find....
