Wildlife thrives here too, from golden eagles to partridge, undisturbed in their natural habitat .

Monte Mayor isn't just a place — it's a slower, wilder way to live on the Costa del Sol.

This is a stunning, newly reformed villa that is available for immediate occupation.

Th accommodation is set out over three floors, with the master and the other four bedrooms all benefiting from private en suite bathrooms.

The huge open plan living space offers a contemporary kitchen with direct access to the swimming pool, sunny terraces and outdoor kitchen.

The plots extends to 2450 m2 and is pretty much maintenance free.

There is a covered parking area which has a turn table, making it easy to navigate your car in and out.

There is an ?additional ?private ?guest ?parking ?space accessed ?from ?the road.

The property ?will ?be ?fully furnished ?by the end ?of August, therefore offering a ?unique ?opportunity ?in ?the ?market ?place ?today.
