A UNIQUE PROPERTY WITH INCREDIBLE SEA VIEWS AND SUPERB POTENTIAL

An exceptional villa on the Costa del Sol, where space, privacy, breathtaking sea views and versatility come together to create a truly unique property.

With 703m² of built space on a 2157m² plot, 7 bedrooms, 5 bathrooms, a private swimming pool and extensive terraces, the property is arranged over two completely independent floors, offering endless possibilities for use.

The main floor features generous, light-filled living spaces, a spacious kitchen, living and dining areas, a master suite with magnificent Mediterranean views, and several bedrooms with direct access to the terraces. The impressive outdoor areas are designed to make the most of the Mediterranean lifestyle, with a private pool, gardens, relaxation areas, a large covered terrace with built-in barbecue as well as another huge covered terrace ideal for yoga classes, art workshop or other.

The lower floor is completely independent, further enhancing the property's versatility. It can be configured as guest apartments or separate rental units, and also includes a spacious...
