Penthouse with an 80 m² solarium and 180° sea views — Las Bugarvillas, Sitio de Calahonda

Most apartments on this stretch of coast give you a small balcony. This one gives you an entire floor.

The apartment is 74,71 m² built, on the fourth floor with a lift to the door and nobody living above you. You come in to a small hall with the kitchen immediately on your left — white gloss units, stone worktops, induction hob, and an open serving window through to the dining area. Straight ahead the living and dining room runs the width of the property, south-facing, so the light lasts all day. The sleeping wing opens off to the right: two bedrooms, the main one with a sea view, and two bathrooms, one with a bath and twin basins and one with a shower. Air conditioning throughout, tiled floors.

Off the living room is a covered terrace of more than 20 m², with a retractable awning, a wall heater and sea views. It works as a second living room, and with the heater it stays usable through the winter...
