Bright Contemporary Andalusian Semi-Detached House of 240 m²

Elegant south- and east-facing townhouse that combines traditional Andalusian charm — patio, light and open spaces — with modern solutions: smart glass, solar panels and a major renovation. Maximum comfort, energy efficiency and quality of life in a quiet, sought-after gated residential complex.

Innovation, Comfort & Sustainability

Smart glass in the living room and kitchen: exceptional privacy, thermal and acoustic comfort, and lower energy use

Solar panels: real savings on monthly bills

Air conditioning in the living room and the three upstairs bedrooms

Open-plan designer kitchen refurbished in 2025 — move-in ready, no extra investment needed

Distribution & Outdoor Spaces

Day area: Spectacular open-plan kitchen (2025) flowing into a large, welcoming living room...
