Spacious 3-Bedroom Duplex with Panoramic Sea & Mountain Views

A wonderfully spacious corner duplex apartment in the charming community of Puebla Tranquila, offering beautiful panoramic sea and mountain views, excellent privacy and a real traditional pueblo feel.

The property offers approximately 127 m² built and is arranged over two levels, with 3 bedrooms and 3 bathrooms. It is currently being used as a two-bedroom home, with the middle bedroom having been converted into a large walk-in wardrobe, but this could easily be returned to its original use as a third bedroom.

Being a corner unit, the apartment benefits from its own separate private entrance and feels particularly private and independent. It also enjoys excellent natural warmth during the winter months, making it especially comfortable year-round. There are also two generous terraces, providing plenty of space for outdoor dining, relaxing and enjoying the impressive views towards the mountains and Mediterranean.

The interior is bright, comfortable and considerably more spacious than many modern apartments,...
