Floor-by-floor layout

Main floor: Living-dining room with integrated kitchen and a terrace with sea views. Going down, on a half-level before reaching the basement, you'll find the snug: a more private space that still stays visually connected to the living room and kitchen. This floor also has a guest toilet and an en-suite bedroom with fitted wardrobes.

The living-dining room is spacious and opens onto a designer open-plan kitchen. Contemporary finishes, clean lines, and plenty of natural light thanks to the south-facing orientation. Direct access to a large terrace with panoramic Mediterranean views — the space you'll use every day, for breakfasts, lunches and long afternoons with friends and family.

First floor: Two en-suite bedrooms. One with fitted wardrobes; the master with a sea-view balcony and a large walk-in closet.

Rooftop: A private terrace on the very top level, with a built-in barbecue and 180-degree panoramic views of the sea and the mountains. Dinners with friends in August, drinks in September, coffee…
