Contemporary architecture, privacy, and panoramic views in Monte Mayor, Benahavís.

This villa is an exceptional property situated in a dominant position within Monte Mayor, one of the most exclusive private gated communities in Benahavís. The community features 24-hour security and is surrounded by over 300 hectares of protected nature, just 15 minutes from the beach and 20 minutes from the center of Marbella.

The property enjoys sweeping panoramic views of the Monte Mayor valley and the mountains, absolute privacy, and an extraordinary sense of tranquility.

The villa has been designed to integrate naturally into the landscape. Its contemporary architecture, expansive volumes, natural materials, and large windows create a permanent connection between the interior spaces and the surroundings.

The heart of the home is a spectacular open-plan space with 6-meter high ceilings, where the living room, dining area, and kitchen are integrated into a single room opening out towards the valley.

A panoramic glass elevator conveniently connects the three floors of the residence....
