Four-bedroom detached villa with one-bedroom guest annex, pool and active tourism license — Pinos de Alhaurín, Alhaurín de la Torre

Single-storey villa of 117 m² with an additional 30 m² annex, set on a private south-facing plot of 1,073 m² in Pinos de Alhaurín — the established residential pocket above Alhaurín de la Torre, where plots are generous and the coast is a short drive away.

Built in 2000 and kept in good order throughout. The living space runs entirely on one level: an open sitting and dining room — with terracotta floors, a stone feature wall and a wood-burning stove — connected to a separate enclosed kitchen. From both the living room and the kitchen there is direct access to the extensive garden and pool area. The master bedroom has its own en-suite bathroom; the other three bedrooms share a second bathroom. Air conditioning throughout, individual electric heating, and the stove for the short Andalusian winter.

Outside, the barbecue and dining area is fully covered, so it can be used all through the day and right across the year — an outdoor space you actually live in, not just look at.…
