Corner townhouse with panoramic sea views

Set in a small and peaceful complex in the sought-after Higuerón area, this three-bedroom corner townhouse enjoys some of the finest views and sun exposure within the community.

Its elevated position offers an uninterrupted panorama across Fuengirola, stretching from the coastline and marina to the Mediterranean Sea. With only one adjoining neighbour and no properties overlooking it, the house feels remarkably private and open.

One of its greatest advantages is the wraparound terrace. Thanks to the corner position and southwest orientation, different areas of the terrace receive sunlight throughout the day, from the first morning coffee until the sun disappears behind the Sierra de Mijas. There is plenty of room to create separate spaces for outdoor dining, barbecues, relaxing and entertaining.

The terrace currently features a jacuzzi, included with the property, while there may also be the possibility of replacing it with a private pool, subject to the relevant technical and community approvals.…
