1,800 m2 plot with a contemporary villa project and spectacular open sea views in Hacienda Las Chapas, Marbella. Set in the green, leafy surroundings of Hacienda Las Chapas, this 1,800 m2 plot enjoys spectacular open views of the Mediterranean and comes with an architectural project for a contemporary villa featuring four en suite bedrooms, a private swimming pool, a lift and extensive leisure areas.

An opportunity for buyers looking to build their own home in Marbella, as well as investors seeking to develop a new property in an established residential area.

Hacienda Las Chapas combines detached villas, mature gardens and abundant greenery, with a 24-hour security service. Its location in East Marbella offers a peaceful residential setting close to the beaches of Marbesa and Cabopino, Cabopino marina, and the shops, supermarkets and restaurants of Elviria. Nearby amenities also include golf courses such as Cabopino Golf and schools including the English International College and Colegio Las Chapas.

The proposed villa is arranged over a basement, ground floor and first floor, topped by a spacious...
