The villa combines contemporary design and high-quality materials with an abundance of natural light. Large windows, the south-facing orientation and a striking double-height entrance bring plenty of daylight and a spacious feel throughout the home.

At the centre of the villa is a bespoke kitchen with a large designer marble island, separate pantry and Gaggenau appliances. The kitchen opens naturally onto the dining and living areas, which in turn lead directly to the terrace, garden and pool.

One of the six bedrooms is completely independent, with its own private entrance and en-suite bathroom, making it ideal for guests, extended family or staff. The spacious principal suite features a generous walk-in wardrobe and opens onto a large shared balcony overlooking the sea....
