Exclusive Corner Penthouse with Open Sea and Mountain Views – Hacienda de Casares

Privacy, sunshine and extraordinary views: an exceptional penthouse for those looking for something truly special.

This elegant corner penthouse in Hacienda de Casares enjoys a privileged position, outstanding orientation and panoramic, unobstructed views of the Mediterranean and the mountains.

East, south and west facing — abundant natural light and sun for virtually the whole day. Generous outdoor spaces extend the home into the open air and create a private Costa del Sol retreat.

In addition to a 24 m² terrace, there is a spectacular private rooftop terrace of 70 m² with an outdoor shower. An extraordinary space for Mediterranean living: breakfasts in the sun, relaxed afternoons and spectacular sunsets over sea and mountains.

First occupied in 2022 and kept in excellent condition. Three bedrooms, two bathrooms and a high level of comfort. Efficient 3-zone climate control with heating for a pleasant temperature all year.
