Fully renovated 3-bedroom apartment with sea, golf and mountain views – Altos de La Quinta, Benahavís

Set on the first floor of Altos de La Quinta, overlooking the fairways of La Quinta Golf, this apartment has been completely renovated in 2026. From the covered terrace, framed by traditional Andalusian arches, the view reaches across the golf valley to the Mediterranean, with the mountains behind.

The open-plan living and dining area opens onto the terrace through wide sliding doors. The kitchen has handleless wood-effect cabinetry, stone-effect worktops and splashback, an induction hob with integrated extraction and a built-in oven. Large-format porcelain floors run throughout, with classic wall panelling, cornices and designer lighting.

The master bedroom opens directly onto the terrace, with sea views from the bed. Two further bedrooms have fitted wardrobes. Both bathrooms have walk-in rain showers, brushed stainless steel fittings, double vanities and backlit mirrors, and there is a separate guest toilet. Ducted air conditioning throughout...
