A Complete WOW Apartment — Reinvented Living in Cumbres del Rodeo

This is a complete WOW apartment—unlike anything else we have seen in Cumbres del Rodeo, or on the coast for that matter. Completely redesigned and remodelled, it is full of clever solutions, unexpected touches and inspiring ideas that transform a spacious corner garden apartment into a truly distinctive home.

Set in a prime southwest-facing position, the property enjoys excellent privacy and views towards the sea and mountains. Elevated above pavement level, with no buildings directly overlooking its main outdoor areas, it offers an open outlook and a wonderful connection to its established gardens.

At the heart of the transformation is a contemporary indoor-outdoor kitchen with a central island. Fully retractable glass curtains open this space to the terrace and garden, making cooking, dining and entertaining part of one flowing experience. Adjoining areas accommodate indoor and outdoor dining, while a small gym beside the garden and jacuzzi adds another dimension to everyday living. These versatile spaces can readily adapt to your own lifestyle….
