Beautifully Designed 3-Bedroom Apartment in Higuerón West – Full or Exclusive Fractional Ownership

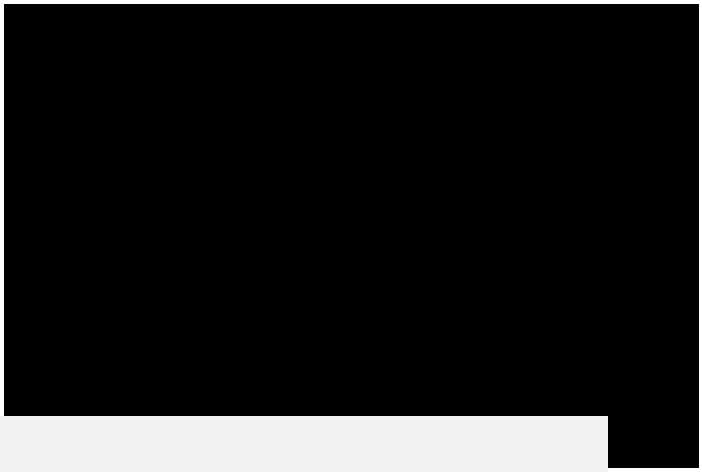

A rare opportunity to purchase a beautifully furnished three-bedroom apartment in the sought-after Higuerón West development, available for either full ownership or exclusive fractional ownership.

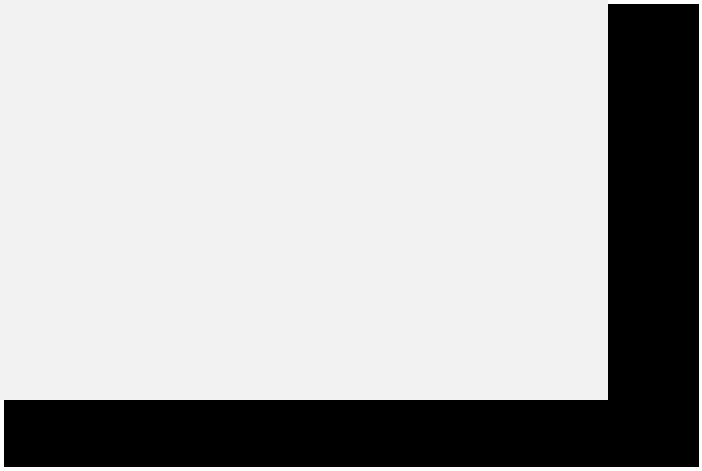

Designed and furnished by a British interior designer with over 25 years of experience, this exceptional apartment has been finished with incredible attention to detail. The interiors feature carefully selected furniture and lighting from prestigious British design house Porta Romana, complemented by elegant outdoor furniture from B&B Italia, creating a sophisticated yet comfortable home.

The apartment offers three spacious bedrooms and two bathrooms, including a master bedroom with ensuite. The bright, open-plan living and dining area leads directly onto generous terraces, while an exceptionally comfortable king-size sofa bed from renowned British furniture maker Kingcome Sofas provides additional sleeping accommodation, allowing the property to sleep up to eight guests.

The main east-facing terrace enjoys beautiful sea and mountain views, with morning and midday sunshine, an outdoor dining area and comfortable lounge seating. Additional west-facing terraces capture…
