Starting from APRIL 2027.

If you're looking for a spacious home where you can enjoy peace, privacy, and outdoor living on the Costa del Sol, this beautiful semi-detached villa is an excellent choice

Available for short-term rental (up to 11 months), this property offers generous indoor and outdoor spaces, making it ideal for families, professionals relocating to the area, or anyone looking to enjoy an extended stay in a quiet residential setting.

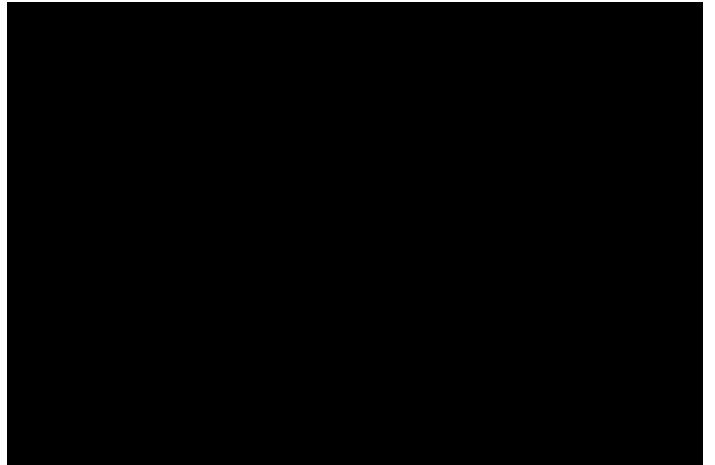

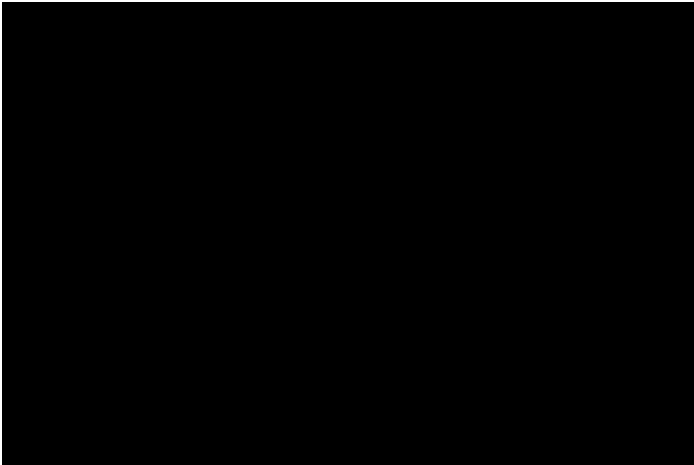

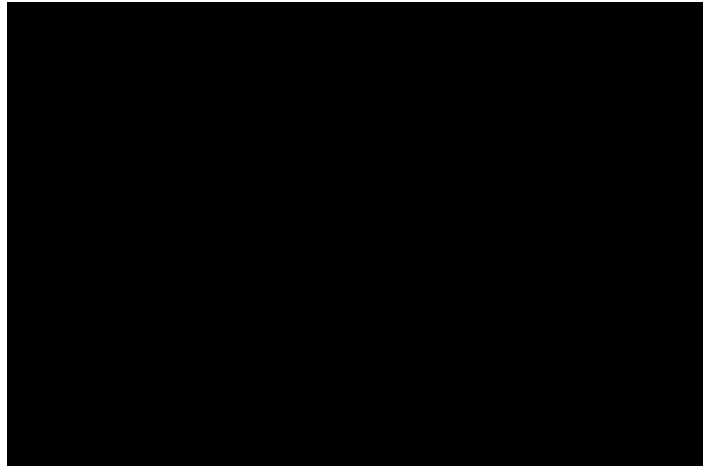

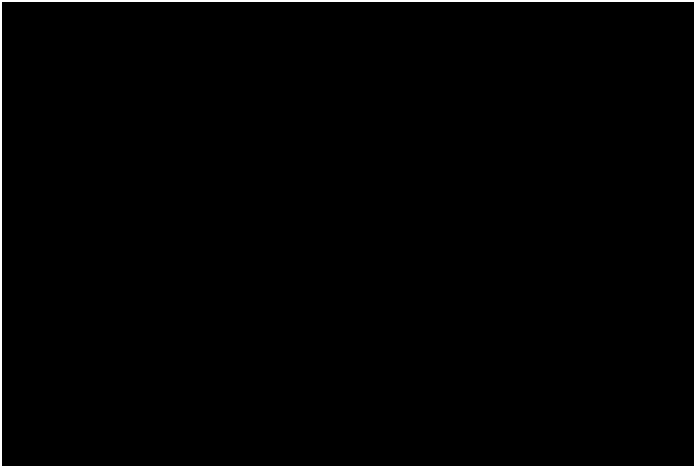

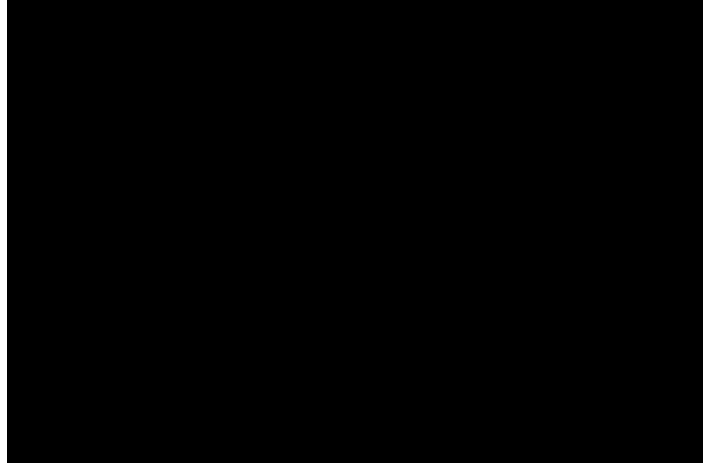

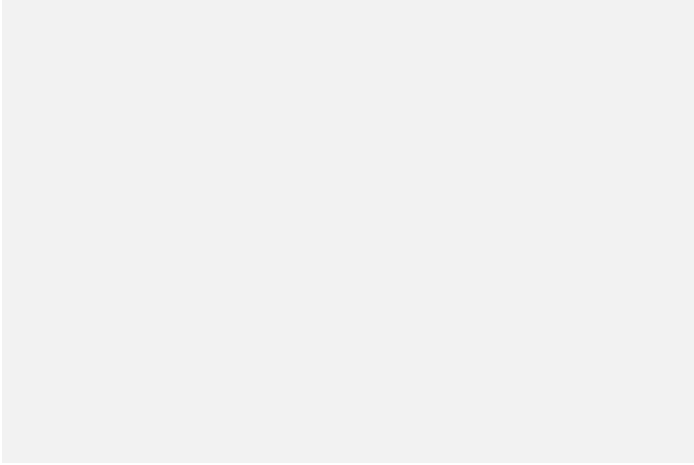

The villa offers 170 m² of built area spread over three levels, featuring five bedrooms, two bathrooms, a bright and comfortable living area, and a practical layout designed for everyday living.

Thanks to its east-facing orientation, the property enjoys plenty of natural light throughout the morning, creating bright and welcoming interiors all year round.

Outside, you'll find one of the home's standout features: a 900 m² private plot with a large sloping garden, offering plenty of space to relax and enjoy the Mediterranean lifestyle. The property also features a private swimming pool, a covered porch, and spacious terraces, perfect for...
